

CORPORATE BROCHURE

“ YOU CAN ONLY TRULY UNDERSTAND THE MAGIC ONCE YOU HAVE IMMERSSED YOURSELF IN WEST LEXHAM. ”

Everything was well organised, thoughtful and carefully managed to make things run smoothly and easily.

The grounds are spectacular and being in nature to discuss our work together added greatly to our sense of purpose and community.

ABOUT WEST LEXHAM

Half a world away (but just a short journey from London) a tranquil haven is awaiting you. West Lexham is a beautiful eco retreat centre, set in an idyllic river valley replete with ancient trees and abundant wildlife. Almost entirely powered by renewables, with an onsite organically grown Kitchen Garden - we aim to be a shining example of how to live harmoniously in nature.

What we offer goes above and beyond your standard corporate event venue. With our experience in event design and our roster of leading facilitators and practitioners, we can create the perfect escape for your business.

Whether it's an inspirational leadership or team development programme, a workshop designed to help you reconnect after a long period away from the office or just a simple company meeting. We have the space, surroundings and specialists to ensure you leave feeling connected, relaxed and fulfilled.

“OUR VISION IS TO ADD VALUE TO THE WORLD BY CONNECTING AN EVER GROWING COMMUNITY OF LIKE-MINDED FOLK.”

VENUES

THE BARN & EN SUITES

The Barn is our largest, and most versatile space. Bathed in natural light and underfloor heated, it is exquisitely designed featuring stunning original beams, and quirky upcycled fixtures and fittings. It creates the perfect atmosphere to feel relaxed and creative, ideal for all types of off sites, team building events, conferences, networking events or corporate retreats.

Accommodating up to 150 delegates theatre style, or seating 120 for dinner, this flexible space is flexible and adaptable offering multiple configurations. The 10 adjacent en-suite rooms can sleep up to 22 with on-site parking, with neighbouring accommodation for up to a further 20.

- Bi-folding doors separating the studio/function room from the lounge. These can be opened to create a larger room seating up to 120.
